FUN Club Newsletter

March 1st, 2025

IMPORTANT- Some of the FUN officers and board members are nearing the end of their career on the FUN board. We need FUN coin club members to step up and run for the FUN Board. This is a volunteer position and you would have to work at the FUN shows, however there are perks to the position such as First Class Hotel Room during the show and at board meetings, per diem, transportation costs covered, possible travel to a regional or national show where most of the expenses are covered, and meeting the principles of national numismatic magazines and organizations where you might make a special deal for your local coin club. Get in touch with a current FUN Board member, if you are interested. Talk to your club members about running for the FUN Board.

As Officers & Board change at your club, information is lost. Think about having all your officers write a "Job Description" for what they do, including names, phone numbers & emails for all their contacts. I don't receive some club newsletters when people change positions. Send me your club newsletter or a report on your club meeting every month.
