

ANA- Pittsburgh

August 25-29, 2026

The annual ANA Show was very good. There were 495 dealer booths, which included the U.S. Mint, several World Mints, and the grading services. The weather was great with lows in the upper 60's and highs about 83.

Three of us from FUN attended the show and we had a table in the Club Section. We gave out FUN giveaways and candy. We collected 30 table fees for the January FUN Show, and we signed up 10 new FUN members, not to mention we promoted the January FUN Show to everyone who came by our table. I judged exhibits and attended the ANA District Rep meeting. All 3 of us attended the ANA banquet on Friday night.

On display were outstanding coins such as all 11 1933 \$20 St. Gaudens, the 1913 Liberty Nickel, the 1804 silver dollar, and the Tyrant Collection of gold coins from Constantinople, and many other neat coins. The Mint had the new 250Th anniversary dimes, quarters, and halves for sale. Jeff Garrett opened an original bag of silver dollars at the show.

There were several talks, seminars, and specialty club meetings going on during the show. There was a big exhibit area and Ernie's Treasure Treehouse.

All in all it was a great show.
