To Whom It May Concern:

MORNING PROGRAM

We will have a program for Young Numismatists, **boys and girls ages 5 to 18 years** of age, on Saturday morning Jan 7, 2023 from 9:00 AM to 11:30 a.m. The cost of the program is only \$5.00 which includes lunch and a one-year Junior Membership to the Florida United Numismatists. (Lunch alone at the convention center is more than \$5.) Participants will receive plenty of materials and coins to get them started on their coin collecting career. This is open to all youth who come to the show.

AFTERNOON PROGRAM

This year the Florida United Numismatists hold their annual coin show in Tampa, Florida. This year I will be conducting a **Girl Scout / Boy Scout Coin Collecting merit badge clinic** in conjunction with the show. The clinic will take place on Saturday, Jan 7, 2023 at the Orange County Convention Center. Last year 95 scouts attended the program.

There is no cost for the merit badge clinic. The program will run from 1:00 PM to approximately 4:00 PM. The attached brochure explains how the clinic will run. A scout who collects the minimum number of coins over the next few months will be able to finish the merit badge at the clinic.

The coin show is the largest in the United States each year. Scouts and their families will have great time viewing all of the booths and learning about the art of collecting coins.

Please put this on your website and make the flyers available at your round tables and training programs over the next few months. Feel free to contact me at any time if you need more information.
