## Winter FUN 2018 Exhibit Teaser

Posted: 17 Dec 2017

From the desk of the Educational Exhibit Chairman, Robert Russell.

During Winter FUN 2018 in Tampa Florida we will have 204 cases of exhibits, with 50 named exhibits from 33 different exhibitors.

The newest and potentially most intriguing display consists of 30 Twenty dollar notes. These notes have a history unto themselves and unlike any other. Their history started on November 24, 1971. On that day a Northwest Orient Airline was hijacked by an individual only know as B.D.Cooper (Dan). On this day, a ransom was paid to the hijacker that consisted of 10,000 twenty dollar bills. These notes were verified by their serial numbers as part of the ransom payment and FUN is thrilled to be able to bring to you the evidence of an unsolved criminal case.

This and many more educational displays are available for you to examine in Tampa in 2018.

Remember the dates are January 4 – 7, 2018 at the Tampa Convention Center. I am looking forward to seeing you in the exhibit area.
